**RESPONSE TO RESTRICTION REQUIREMENT**

MS Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In response to the outstanding Restriction Requirement, dated March 29, 2007, in connection with the above application, Applicants hereby elect Group II, claims 35-70, drawn to an implantable device. Applicants elect this group with traverse because Applicants submit that the simultaneous examination of Group I, drawn to a method of administering a corticosteroid, would present no significant additional burden for the Examiner.

With respect to the election of species, to the extent it applies to the above election, Applicants elect a device comprising fluocinolone acetonide as the corticosteroid, polyvinyl alcohol as the permeable coating, and polyimide as the impermeable coating with traverse and for search purposes only.

Applicants believe no additional fee is due with this response, aside from the Petition for Extension of Time. However, if a fee is due, please charge our Deposit Account No. 18-1945, under Order No. CDSI-P04-022 from which the undersigned is authorized to draw.

Dated: July 13, 2007

Respectfully submitted,

By
